IMPORTANT SPECIAL EVENTS

In recognition of **Maternal Mental Health Awareness Week**
5th-11th May:

‘Your Voice, Your Strength’

Maternal Mental Health Week is a nationwide campaign organised by the Perinatal Partnership, aimed at empowering women to speak up about their mental health during parenthood. This year’s theme highlights the importance of women being heard, acknowledging that their needs, feelings, and experiences—whether during pregnancy, birth, or parenthood—matter.

In support of this, we held a successful conference day on 6th May and there are further events you can attend and promote to include families and help children who are affected:

FOR FAMILIES & PROFESSIONALS: *we’re inviting expectant and new parents to join us at the Family Hubs to learn about the support available to them within Cheshire East. This multi-agency event will provide helpful information about accessing services, helping parents feel more empowered in seeking support.*

Event Dates:

- **Friday 9th May at Crewe Lifestyle Hub 3:30-6pm**
- **Thursday 22nd May at Oakenclough Family Hub 3:30-6pm**

Join us to learn more about the support available during your transition into parenthood.

Please **SEE FLYERS ATTACHED** for more details

And finally....

If you would like to see any multi-agency practice topic to support shared learning opportunities adding to our training programme, or you know of a great resource or service that you’d like to widely share, please contact us at:
